

Ming-Chieh Hsu

Dear Ming-Chieh,

Congratulations! We are delighted to inform you that you have been admitted to the Materials Science and Engineering, MSE Program at the University of Pennsylvania for the Fall 2026 term. As you know, this program is very competitive, and we congratulate you on your academic accomplishments.

In order to reserve your place, you will need to log into the [application portal](#), fill out the Decision Confirmation Form on your checklist, and submit the non-refundable \$300 acceptance deposit by June 1. Please note it may take approximately ten minutes for the form link to populate on your status page upon first review of your decision letter. The acceptance fee will be credited to your student account when you matriculate. The Admission Decision form must be received no later than the end of the day on June 1.

As a reminder, the transcripts you submitted as part of your application process are considered unofficial. Please note that your offer of admission is contingent on our receipt and verification of official transcripts for each institution you have attended. We must receive all documents before the start of your first semester. If you have any questions, please reach out to our admissions office at graduate-admissions@seas.upenn.edu.

Penn Engineering has a long-standing tradition of innovative research and excellence in its graduate programs. We look forward to your future contribution to our academic community.

Sincerely,

Boon Thau Loo, PhD
Senior Associate Dean for Education and Global Initiatives
School of Engineering and Applied Science
University of Pennsylvania
